SR MAX

SR MAX allows you to reach magnificent milestones in excitement and handling. The perfect weight distribution and the frame made of a double cradle in steel, favour dynamic and precise handling in every situation. All of this without sacrificing the convenience of a scooter with a raised handlebar, ergonomic saddle and large, adjustable windshield.

Spirited, fluid and quick, SR MAX is available in two versions to cater for any need: 125 and 300, both with electronic injection to guarantee the highest level of performance, reducing fuel consumption and pollutant emissions to the minimum. Because SR MAX is dedicated to the most passionate and demanding spirits in circulation: just like you.

MAX TECHNOLOGY

WINNING LOOK

Aerodynamic front end with a silver grille, lateral insert with aluminium finishing, sports graphics and colours, analogue-digital instrument panel: SR MAX is inspired by the racing world in every detail.

SUPERIOR SAFETY

The braking system with generously sized discs (260mm - 240mm) together with the 15" wheels on the front and 14" on the rear, with wide radial tyres, guarantee maximum safety and road holding.

CAPABLE OF ANYTHING

Under the large and comfortable saddle, the compartment equipped with lighting and an electrical outlet can hold two helmets, one flip up, or a laptop bag.

MAX ACCESSORIES

Make your SR MAX even more unique and exciting by choosing from a range of accessories created exclusively to expand the functionality and comfort even more, always with unmistakable Aprilia style:

- Top box kit with the cover painted in same colour as vehicle containing 1 flip up helmet
- Customised Aprilia bike cover
- Aprilia Electronic Alarm
- Practical and easy to wear universal leg cover
