

FXDF Dyna Fat Bob

The massive stature of the Dyna Fat Bob, led by twin headlights braced between polished triple clamps, has an unmistakable street presence. Riding on big tyres with an aggressive tread pattern mounted on 16-inch silver disc aluminium wheels Fat Bob is a cool and confident ride. New features include custom coil-over rear shocks, low profile rear fender and

silver-faced speedometer with range countdown. The chrome 2-1-2 exhaust with Tommy Gun heat shield accents the black-and-polished Twin Cam 96 engine. Forward foot controls and flat drag bars create a cool and comfortable riding position.
