

## FLHR Road King

Harley-Davidson styling heritage meets long-range riding comfort in the Road King. The large detachable windshield and injection-moulded GTXR saddlebags make this a versatile motorcycle suitable for touring, commuting or cruising. Classic styling touches include the chrome “Hiawatha” headlamp and clear-lens auxiliary passing lights,

chrome engine covers, a deep-skirted FL front fender and white-stripe tyres. The seat has been restyled for 2009 with diamond shaped highlights.
